TECHNICAL DATA SHEET

TASTING NOTES

COLOUR: Light mahogany with amber and orange reflections.

NOSE: Beautiful aromatic intensity marked by exotic spices interwoven with delicate notes of bitter orange, blond caramel and subtle woody and earthy nuances.

PALATE: Dense and silky texture with an elegant and harmonious opening. Perfectly integrated bitterness brings depth and length to the tasting experience. The aromas perceived on the nose continue with intensity through the finish, revealing delicate caramelised and spicy notes.

Mystery. Depth. Character. Elegance.

Like the universe that inspired it, Universo Reserva reveals a complex personality rich in nuance and discovery. Crafted from a meticulous selection of aromatic botanicals and noble spices, including sandalwood, coriander, cardamom, nutmeg and cinnamon, this exceptional vermouth expresses the full richness of its composition through an intense and refined aromatic profile.

Its slow maturation in oak barrels for twelve months gives it remarkable depth, elegant woody notes and a complexity that gradually unfolds with every tasting.

A true heir to generations of expertise and passion, Universo Reserva offers an authentic experience where tradition, patience and excellence come together in every glass.
