Passion. Intensity. Elegance. Seduction.

A universe of deep red and copper reflections, where warmth, character and refinement merge into an endless array of sensations.

Crafted from a selection of aromatic botanicals and precious spices, enhanced by hibiscus flower, Stella cherry and a delicate touch of red plum, Universo Rojo reveals a personality that is both mysterious and captivating.

Its intense red colour immediately catches the eye, while its natural aromas unfold into a rich and complex aromatic palette.

On the palate, its velvety texture gives way to deep and generous flavours, carried by a subtle succession of elegant bitters before opening into a delicately sweet finish.

A premium vermouth designed to awaken the senses and deliver a truly distinctive tasting experience.
